

## Fact Sheet

### Finca SOPHENIA

# AntiSynthesis Field Blend 2023

**Region of Origin:** Gualtallary, Tupungato, Mendoza, Argentina. Estate grown produced and bottled.

---

**Winemaking team:** Joaquin Martin

---

**Vineyard:** By the Andes, 4000 metres above sea level. Vineyard planted in 1998 with Cabernet sauvignon and grafted with Malbec in 2007. The graft failed in approximately 30% so today the plot has 70% of Malbec and 30% of Cabernet planted at random Sauvignon It is the plot no. 12 which is also one of the most rocky plots of the estate.

---

**Vinification:** The opportune moment of harvest of this wine is the biggest challenge, since both varieties have different maturity moments. To achieve this, tastings are carried out every day to choose the maturity balance of both varieties. Fermentation in small stainless steel tanks with the addition of approximately 3% of broom. With the intention of respecting the natural character of the grape to the fullest, fermentation is carried out with indigenous yeasts with the minimum interventions, including gravity tank placement and passage. Malo lactic fermentation in 500-liter French barrels where it remains for 12 months.

---

**Ageing:** 100% of the wine raised in French oak barrels for 12 months.

ANTI<sup>S</sup>YNTHESIS

**Composition:** Natural vineyard field blend with approximately 70% Malbec, 30% Cabernet sauvignon.

---

**Tasting Notes:** Intense violet color wine with great brightness and vivacity. Complex aromatic expression with fruity and flowery notes given by Malbec and spicy aromas such as black pepper and cassis contributed by Cabernet Sauvignon. In the palate it shows an intense entry with balanced acidity and mineral notes.

---

#### Datos analíticos:

Alcohol: 14.5%      Sugar (g/l): 2.71

Acidity (g/l): 5.79      PH: 3.59
